Custom Image

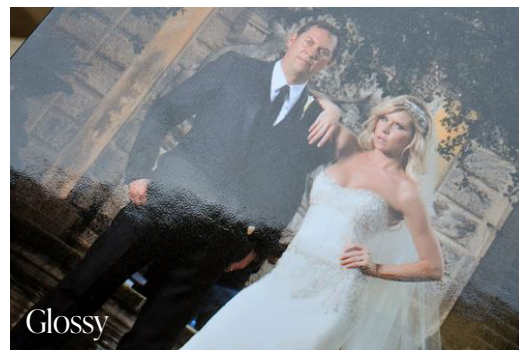

Customize the cover of your Standard Photo Book with your very own design!

The design will be printed on one of four substrates and wrapped around the album from front to back.

If selecting canvas, your image is printed on canvas substrate and a coat of lamination is added for protection.

Glossy covers are printed on photographic paper with a coat of high gloss applied.

Satin Covers are made of E-Surface photographic paper with a coat of matte lamination on top.

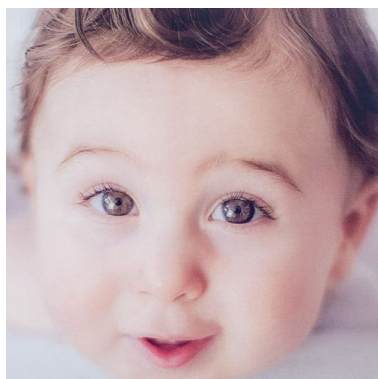

Layflat Photo Book

Made with high quality materials with layflat pages so images aren't distorted in the binding. Starting with 10 pages in a 5x5 at \$75.

Paper Styles

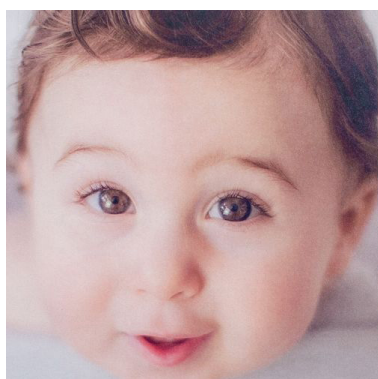

Matte Press Paper

Matte press paper features a soft texture with beautiful matte tones. Its hefty weight and premium quality printing is perfect for every occasion.

Product Highlights:
